

Not Just Another Walk In The Park!

On Friday, October 16, 2009 at Calimesa Country Club, it was a perfect Southern California day... clear and crisp, fresh from a night of light rain, with beautiful blue skies. That is how the day began for golfers at **The 2nd Annual Golf for Good Tournament**. The charity tournament raises funds to provide care and therapy for the foster children in placement at the Yucaipa campus for boys, ages 14-17, who have been victims of abuse, abandonment and neglect.

Fun, laughter and camaraderie was the order of the day. Many thanks to all who participated as well as our fantastic volunteers. We look forward to the 2010 tournament and hope to see you there!
